

Sell CreekPOS with what you already sell

A complete point of sale for UAE shops, cafés and restaurants. Add it to what you already sell, and earn from every customer you bring.

Four ways to partner

Resellers

Hardware dealers, IT resellers, installers

- 30% of the subscription for as long as the customer keeps paying, or 30% of a buy-once desktop licence
- Lead registration: the first partner to register a shop keeps it
- Free demo licences
- A co-branded landing page
- Training and partner support

Referral partners

Business set-up firms, accountants, consultants

- One month's subscription for every paying customer you refer
- Or 15% recurring: you choose

Member perks

Free zones, business groups, banks' and telecoms' SME programmes

- Your members get 2 months free
- Plus 25% off the first year

Technology partners

Payment companies, e-invoicing providers, hardware makers

- Integration
- Referrals both ways

What your customers get

- Keeps selling offline and syncs when the internet is back
- UAE VAT tax invoices with the shop's TRN, in English and Arabic
- English, Arabic, Hindi and Urdu
- Till on Windows, Mac or Linux, with the shop's own printer, scanner and drawer
- Retail (barcodes, weighed items, stock, credit) and restaurants (tables, kitchen screen)
- Menu boards and order-status screens on any TV; owner alerts on the phone
- Job orders for laundries, tailors and repair; weight and volume for roasteries and perfume shops
- Staff and HR, and import from another system in minutes

How it works

- 1 Apply at creekpos.com/partners
- 2 We set up your partner code and demo
- 3 You earn each quarter

Tracking and payouts

Each partner gets its own partner code: a coupon code the customer types at sign-up, or a link that carries it. You see nothing technical.

Payouts quarterly, by bank transfer, against your invoice. No minimum volume, no exclusivity.
